

# what?

*OverBoard* is a community for board-riding individuals to buy, sell, and exchange their gear.

# why?

At *Overboard*, we imagined **one place** where people could sell their used gear safely and easily. Like an online thrift shop — but for boards!

No more posting on Craigslist, Marketplace, OfferUp, letgo, NextDoor,... you get the point.

ABOUT US

The internet's **only** used board rack.
